+1 548-333-7164

**Dear Hiring Manager,**

I am writing to show my interest in the position of web designer in your respective company. I am confident that I will be able to contribute to your web design team right away. I have a diverse set of skills that integrate innovative art and design ideas. In addition, my experience with Adobe Photoshop, Adobe Illustrator, HTML5, CSS, Bootstrap, responsive websites, WordPress, ReactJs, and Node JS skills will enable me to play an important part in the implementation of your web design initiatives. The following are highlights of my skills and accomplishments:

- Creating and maintaining a website using HTML, CSS, and bootstrap and applying WCAG AA accessibility rules to deliver accessible pages.
- Collaborate with UX designer to design pages using HTML5, CSS, and bootstrap.
- Review the site daily with a customer-first mindset, ensuring the integrity, consistency, and accuracy of product content. Maintain bug reports of the website on a daily basis.
- Update and improve the typography, colours, and layouts of. Appreciated by my team leader for creating SVG animation explaining
- Human's financial needs that can easily be understood by the people who don't want to read more about the product, and It helps the company to get 3x the traffic of clients.

Enclosed is my resume for your review. I welcome the opportunity to discuss with you personally how my skills and strengths can best serve your company. I appreciate your time and consideration.

*Sincerely,*  
**Vibhuti Gohil**  
Sr. Web Designer
